**Commissioner for Patents**

Attached please find Information Disclosure Statement, filed 06/19/2008, which has been considered and placed in the application file.

The listings of official communications have not been considered because they are not published prior art and should not be listed on the issued patent.

Non-Patent Literature document "AN", listed on page 2 of the IDS, "Soltysiak, Stuart, et al., 'An Agent-Based Intelligent Distributed Information Management System for Internet Resources'" has been lined through because there is no listing of page numbers for the document.

A revised issue classification is also attached, to correctly renumber claim 54 and its dependent claims, to depend from independent claim 1.
